Another message in Mosaic Crochet! "Wish you were here!" - the classic postcard phrase. As we write to loved ones, we wish they could be there with us...

Just like Postcard Three, this postcard is crocheted using the technique of inset Mosaic Crochet. Written instructions continue here but there is also a chart to follow if preferred.

On the chart each square represents 1 stitch (either a double crochet, mosaic treble or chainspace). Each row on the chart represents TWO rows of crochet. Read RS rows from right to left and WS rows from left to right. Each row begins with 1 ch and then 1 dc in first st, and each row ends with 1 dc in final st.

The first square on the RS rows indicates the colour to be used for that row. Do not fasten off the yarn at the end of each row, the yarn will be carried up along the side of the work to be joined again on subsequent rows.

On $R S$ rows if the square is the same colour as the yarn being used work either a double crochet or mosaic treble. If the square is in the contrasting colour work 2 chains for 1 square, 3 chains for 2 squares, 4 chains for 3 squares etc. and miss the corresponding stitches.

Using Yarn E make 50ch.
