## NOTES FROM DESIGNER

*Tension is not vital to the success of this item. Working Row 3 correctly is essential for the ripple effect to work, so please follow the instructions exactly. Block by pinning out to size and dampening, then leave to dry naturally if you can. 1ch at the beg of a row does not count as a stitch. 2ch at the beg of a row counts as a tr.*

**Row 2:** 1ch, 1dc into each dc of row below, to end. Turn. 209sts

### Change to Mustard

Last 4 rows forms patt.

Cont in patt **changing colour as per the colour sequence given**, until 5 complete colour sequence have been worked, ending with Cream. You will only

have worked 4 stripes of the Dark Pink at this point, but 5 stripes of every other colour. Each stripe of colour should use less than 20g of the yarn. We recommend weighing your yarn before working the 5th full sequence to ensure you have at least 20g of each colour left.

### Border

*Change to 2nd ball of Dark Pink and 4mm hook*

**Border Foundation Row**  
1ch, \*1dc into BLO of next st, rep from \* to last st, work 3dc into final st to create a corner.

Turn work 90 degrees and work down the side of the blanket as follows:

Work 5 dc along every colour block (*this is 1 dc into every dc row, and 2 dc into every 2ch or tr*), working 3dc into the final st to create the corner.

Turn work 90 degrees and work 208 dc across the bottom of the blanket, working 3dc into the final st to create the corner. Turn work 90 degrees and work down the side of the blanket as follows:

Work 5 dc along every colour block (*this is 1 dc into every dc row, and 2 dc into every 2ch or tr*), working 3dc into the final st to create the final corner. Sl-st to the 1ch at beg of round. Turn.

**Round 1 (WS):** 1ch, does not count as a st, 1dc into BLO of next dc, rep to end working 3dc into BLO for each corner. Sl-st to the 1ch at beg of round. Turn.
